Dear Parent/Carer / Annwyl Rhieni/Gofalwyr

Use of Photographs

As I am sure you are aware there is a new Data Protection regulation which came in to force at the end of May 2018.

Processing of photographs is necessary for the purposes of assessment, school displays and sometimes in other printed publications. On occasions we will also use them on our school website, prospectus, booklets, internal displays and Twitter account. If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption. If we name a pupil in the text, we will not use a photograph of that child to accompany the article.

Seesaw, Learning Journeys, Newsletters and Records of Achievement are used to celebrate your child's progress throughout school. Photographs of individuals, groups or classes of children may appear in these records.

For those pupils with serious medical conditions we will also use your child's photograph to inform members of staff, which include lunchtime supervisors and the catering team. From time to time, our school may be visited by the media who will take photographs. Children may appear in these images, which will sometimes be published in local newspapers, or on approved websites or twitter pages.

We will ask for parental consent for the use of photographs.

Yours Sincerely

Elizabeth Knight
