Headteacher/Pennaeth

March 19th 2020

Dear Parents

As you will appreciate, this is a rapidly changing landscape. All the teachers are working hard to ensure that pupils have the best learning opportunities at home over the coming weeks when school closes.

Denbighshire County Council is also working hard to ensure that support is provided for parents and carers who will be directly involved in responding to the outbreak of the coronavirus.

It is likely that Childcare Centres will be used to cater for front line workers when other provision close.

If you believe that you are a key worker, such as:

- National Health Service
- Armed forces
- Teachers and childcare staff
- Care home workers
- Social workers
- Police officers, community support, civilian staff
- Prison officer or other probation staff
- Firefighters
- Local authority planners
- Environmental health officers
- Highway Agency traffic officers

Please could you contact me at school as soon as possible in order that I can pass that information on to Denbighshire County Council.

Yours Sincerely

Mrs. E. Knight
