Good afternoon everyone

We hope that you are all keeping well and safe.

The teachers are busy posting tasks online for your children. Some children have been busy completing the tasks (and more!) so thank you and keep up the excellent work.

However we are still waiting for some children to log on. This is a concern for us. We would like every child to log in every day and complete at least one task. We appreciate that it may be difficult with multiple siblings and parents working from home to complete all the tasks. However, we would like everyone to check in once a day and say hello so that we can keep connected at this difficult time.

If you are having difficulty logging on, please get in touch and one of the teachers will contact you to give you support.

Look after yourselves.

Mrs. K
