Dear Parents and Children

I hope that you continue to keep well. We have been so lucky with the beautiful weather which has allowed us to go outside to take our daily exercise and enjoy the sunshine. My heart goes out to all those people who are not able to access outside areas and are confined to flats or maybe houses with no gardens. We really are so lucky.

We are blessed to have nature on our doorstep. It is evident from your photos on SeeSaw that you have been having lots of opportunities to see nature at its best. I've now even seen a calf being born! What a privilege!

My thanks again to everyone who is trying so hard to do the online activities. It will make a big difference when we do go back to school.

Keep safe.

Mrs Knight

## Life in Lockdown

Here are some of your experiences of lockdown. If you would like yours to appear in next week's newsletter please send them to me. I have some from some children already, thank you.

### Meg Year 6

Hi Mrs Knight , its Meg. Over the easter holidays we set up an easter trail round the Village , on the trail there was different pieces of wood with an animal and a letter.

The animals were more for the little ones but they could do the letter one too the letters made a three word phrase based on spring. They got a prize if it was correct.

It was Sam's birthday on the 17th so he has had a lot of new toys. We also cooked tea for mum and dad on their anniversary. We are face timing facetimeing friends and family a lot but I'm still really missing them. Hope we can all go back to school from Meg xx
