Annwyl rieni/Dear Parents

I hope that you are all keeping well.

Following Kirsty Williams' announcement last week, as a staff, along with the Governors, we have been working towards a plan which we will hopefully be able to share with you towards the end of next week.

Our main priority is for the children to return to school and have some face – to face contact with their teachers and to be able to see their friends before the summer break. However, this has to be done in a safe way with all Health and Safety measures in place.

As I'm sure you are aware there are many logistical challenges. We are currently waiting for further guidance from DCC. When we receive this we will be able to confirm our plans.

If there are parents who have not confirmed with school whether their child will be returning at the end of June, please could you do so by Monday June 15th in order for us to have the correct numbers.

For the children of Key Workers who have been using the Hub at Rhos Street, please be aware that from June 22nd the Hub will return to Ysgol Bro Famau.

Thank you for your patience

Keep safe

Mrs E. Knight
