Home Learning Codes

Monday 21st September 2020

Dear Parents/Carers

In the light of the many updates in recent weeks with regard to Coronavirus, I would like to reassure you that we are doing all we can to keep your children safe in Ysgol Bro Famau. So with that in mind we are setting up a system with which we can set work for home when and if it's needed.

In the event that you or your child may need to self-isolate we have set up Home learning codes on Seesaw. These will be used in the event of having to work from home, we would ask that you please be understanding of the fact we will have classwork to set up also and will do our best to post work on Seesaw as soon as is possible. These codes will work on laptops/chrome books and tablets.

Your children all keep their HWB mail account, if you require this to be sent home please inform your child's class teachers and they will be able to forward this on to you, or alternatively email school and I will pass on the details.

It is our intention to set up Homework for the children to access and complete on Seesaw. We are trying to do as much correspondence online to stop papers coming backwards and forwards top school. Homework will be set once a week on a Thursday and completed by the following Monday.

We thank you for your continued co-operation and support.

Yours Sincerely

Mrs R.Davies
Acting Head
