Chwefror 5ed/ February 5th 2021

Annwyl rieni/Dear Parents

I am sure that many of you will have heard Kirsty Williams' statement at lunch time today, announcing the plans to bring our youngest children, children in Foundation Phase (3 – 7 year olds), back to school on February 22nd, following half term. As a staff we will be discussing the best way to bring the youngest children back to school and we will share those plans with you next week.

Any further phasing of more year groups will be considered as part of the next 21 day review on the 19th February when there are more details of the transmission rate of the virus. We will continue to provide education for vulnerable children and children of critical workers.

On another matter, there have been concerns raised nationally, regarding individuals contacting parents of pupils, posing as a tutor and offering one to one tuition. Many parents are led to believe that schools are contacting them and parents are advised to not to provide any details about themselves or their child/school. You should terminate the call and contact the school where your child is registered and notify North Wales Police on 101.

Yours Sincerely

Mrs. E. Knight
