### Governor Vacancies at Ysgol Bro Famau

Dear Parents

We currently have vacancies for *Governors* on our *Governing Body*.

*Governors* are responsible for overseeing the management side of a school: strategy, policy, budgeting and staffing. They enable our school to run as effectively as possible, working alongside senior leaders and supporting teachers to provide excellent education for our children.

A school governor would be expected to attend termly governing body meetings which consider issues such as setting the school vision, mitigating financial risk, Health and Safety and scrutinising educational outcomes. They are also involved in the school community, acting as critical friends to the headteacher and the Senior Leadership Team.

*Governors* often bring a wide range of skills and expertise from their professional lives to the governing body and we benefit greatly from working with skilled volunteers, for example anyone with experience of finance, law, premises management or human resources. Most importantly, however, you should have an interest in raising standards for our children and a passion for ensuring quality education and experiences in our school community.

If you would like more information or would like an informal chat, please contact school or speak to a current serving *Governor*.

Yours Sincerely,

Mrs E. Knight
