Key Stage 2 - online learning

March 1st 2021

Dear Parents

We would like to thank the children and parents for your support since we went into lockdown in December. You have all done an amazing job during a very challenging time.

Our Foundation Phase children have returned to school for face to face learning which is very positive. We are very much hoping that the children in Key Stage 2 will be following very soon.

I am writing to ask for you all to try really hard to remain engaged with activities for these last few weeks. We know how hard it is to stay motivated whilst working from home. We have noticed that some children are choosing not to complete their work or only choosing the activities that they like.

Our teachers are working incredibly hard to prepare interesting and varied activities on SeeSaw and it is very disheartening when a minority of children do not participate. We are all looking forward to going back to face to face learning and we want all our children to be ready to return to school when it is announced. Doing the online activities now will help the children's transition back to school immensely when the time comes.

Thank you for your continued support.

Yours Sincerely

Mrs. E. Knight and Key Stage 2 staff
