COVID symptoms

Please keep your children off school if they are showing any of the main symptoms of COVID – a new continuous cough, loss or change in taste and / or smell and high temperature, and arrange a test. All members of the household must isolate whilst awaiting test results.

Wider Symptoms

PHW have now confirmed a wider range of symptoms that are possibly related to Covid-19. These include:

- Feeling unusually tired
- General flu-like aches and pains (myalgia)
- Sore throat or hoarseness
- Shortness of breath or wheezing
- Persistent headache
- Runny or blocked nose
- Feeling sick (nausea), vomiting or diarrhoea

Sun Safety

Please may I remind parents that they should apply suncream BEFORE school. Please don't send suncream with your child as there is the temptation to share. Children should also bring a sunhat which is labelled with your child's name. Please do not send sunglasses.
