Dear Parents and Children

### **Absent Children** **School Work**

The past 18 months has forced us to work in different ways. During lockdown we were able to use SeeSaw to teach on line while our children were at home. We have continued to use SeeSaw successfully to set homework.

If a child is at home for Covid reasons, (have Covid themselves or are self-isolating whilst waiting for a PCR result) and are well in themselves, teachers will try to put some work on SeeSaw.

However, increasingly, parents have been requesting work for children who are at home because they are not well enough to come to school for other medical reasons (coughs, colds etc). In these circumstances, teachers would not set work as the child is not well. Alternatively, they could read or catch up on unfinished homework on SeeSaw.

We appreciate your understanding.

Yours Sincerely

Mrs. E. Knight
