Recorded events – Christmas

Due to ongoing restrictions and challenges with COVID affecting events and group gatherings, we would like to be prepared for any key events this academic year. We would like your permission to be able to record the Christmas concerts to put on Seesaw.

Online safety is our priority. Your child will only take part in the recordings if you have provided consent for them to do so and the school will only share the recording with the parents/guardians of the school.

If you do not consent to your child taking part in the recording, they will be able to take part in rehearsals.

In order to protect the privacy of individuals, the images/recording should not be shared online or via social media. The school shall not be held responsible if the recording is shared without prior authorisation.

Tick as appropriate

I consent to _____ taking part in the recordings. I understand that the recording will be shared with all parents to download and view online.

I do not consent to _____ taking part in the recordings which is to be shared with all parents to download and view online.

In order to protect the privacy of individuals, I agree not to share the images/recording in anyway including online and via social media.
