

Ysgol Bro Famau PTFA

Dear Parents,

Our main **PTFA fundraiser** this year is the **Clywdian Beer & Gin Festival on Saturday 15th October 2022**. This follows on from popular and successful Beer & Gin Festivals in the last few years. Money raised from it will be used directly to buy things that the school budget cannot cover and will therefore directly benefit all the children at school.

Tickets (only £6.50) can be bought from Llanarmon shop or for a small extra charge from **Eventbrite** (see Clywdian Beer & Gin Festival Facebook page or [click here](#) for details).

Tickets are already selling fast so please get your tickets soon before it is too late. There will be plenty of local ales and a range of gins along with a selection of Rum, some local cider and alternatives such as wine, prosecco and soft drinks. There will be **live music** and **Thai food freshly cooked** by Dtoi.

We also ask that you **donate something towards the raffle** that we will hold on the night – ideally a bottle of something alcoholic or beer/gin related. Donations can be dropped off at school anytime but **by Friday 7th October** at the latest. There will be a box at both sites. Additionally, if you have **any unwanted new (or like new) items** that we can use on a trash or treasure ‘tombola’ stall we would be **grateful for donations** of these too as they proved very popular last year. Anything goes for this so examples could include smellies, stationery, jewellery, unwanted gifts etc.

Lastly if you or your work would like to **sponsor a keg** of beer for £25 or would like to **donate a bottle of gin/prize for the raffle** in return for an advert in the brochure distributed on the night please contact one of the team on the details below.

Thanks.
