School Uniform **2023-2024**

July 2023

Annwyl Rieni/Dear Parents and Carers

As we approach the summer holidays, I'm sure that many parents will be thinking about buying school uniform in preparation for returning to school in September.

We are very aware of the cost of living and realise that school uniform can be expensive. We also, however, feel that having a school uniform is important and helps us all feel proud to be part of our special 'Bro Famau' family.

Whilst we encourage pupils to wear jumpers and cardigans with the school logo, other items can be without logos and can be purchased at many supermarkets. We also have a selection of second-hand uniform at school available for a small donation. If parents have any school uniform that they would like to donate at the end of term, please send it to school either at the end of term or at the beginning of the autumn term.

We encourage pupils to be active at school therefore we have decided that pupils can wear trainers to school. These should be **plain, black trainers with no logo.**

For families who are in receipt of certain benefits, there is a grant towards school uniform. This can be applied for on the Denbighshire County Council website.
